## ABOUT

I hold a bachelor's degree in Architectural Engineering and plan to begin an MBA in Tehran. I am interested in business analysis and development, and am seeking an opportunity to apply my skills and gain professional experience in a business environment.

## EXPERIENCE

### Founder | Vatan English Club

Apr 2026 - Present | Birjand

- Designed and tested a business idea, turning it into a revenue-generating activity within two months.
- Partnered with an event venue to share costs and launch the activity with minimal initial investment.
- Designed varied event formats to distinguish the club from traditional English classes.

### English Language Instructor | Kharazmi International Institute

Aug 2024 - Jan 2026

- Delivered 2,000+ hours of instruction to 150+ learners, adapting lessons to different levels and needs.

### Co-founder | XpertAim

#### South Khorasan Science and Technology Park

Jun 2023 - May 2024

- Led the team from early development through MVP delivery; set timelines and assigned and tracked tasks.
- Engaged customers to understand needs, tested the product, and translated feedback into product improvements.

### Compulsory Military Service

2021 - 2023

### Project Coordination Intern

#### Sustainable Alignment | Zurich, Remote

Mar 2021 - Aug 2021

- Supported research, planning and delivery of sustainability projects; prepared social media content and collaborated with a remote team.
